Open Your Heart

CAMPAIGN

We are honored to serve as the 2019 Open Your Heart Chairs. Our daughter, Maggie, is a heart and stroke survivor and is a daily testament to why we support the mission of the American Heart Association/American Stroke Association. This year we honor another special little girl as our honoree, Lillyana Cochran. Her inspirational story will be shared at the Heart Ball. We hope you join us and support this year's Open Your Heart campaign.

Thank you

2019 Open Your Heart Honoree

Open Your Heart is a personal giving opportunity, in which your gift goes directly to fund the cutting-edge, scientific advances and innovative educational programs that can save the lives of our loved ones. The American Heart Association seeks to pay tribute to individuals who have been impacted by heart disease or stroke. Whether honoring survivors or remembering those whose lives were taken too soon, we invite you to join us this year with a personal ornament on our Healing Hearts Tree. Make an Open Your Heart donation by January 18, 2019 and any donation of \$50 or more will be signified by a newly-designed 2019 ornament on our Healing Hearts Tree which will be displayed at the Heart Ball on February 2, 2019. Your name can be included along with that of a person you are honoring or remembering. The Open Your Heart gifts are 100% tax deductible.
